Early Development Camps

Participation in Early Development Camps (EDC) will receive 4 stars in the appropriate level by the SCTA. All camps need to be completed and attended before receiving credit. There are three camps per ball color.

Players should advance through the various stages with the understanding that this is not a race to Yellow Ball Tennis, but a process rich in development opportunities at each stage. All children develop at different paces, whether physically, mentally, or emotionally. This new system is designed to accommodate these variations.

PARTICIPATION

Participation points are collected by playing in:

10U Progression Tournaments

- Singles Only
- No points for defaulted matches

Junior Team Tennis

- Championship & Local Junior Team Tennis: 10U Singles & Doubles
- Must play a minimum of 2 matches for team to count the season
- Can play a maximum of 2 seasons per calendar year
- Players can play in either 10U orange ball or 10U green ball leagues and receive participation stars in their current level

** Players will only receive stars towards their Youth Progression by competing in the proper Youth Progression Ball Color. If a player decides to participate in 12U Yellow Ball JTT and they are only cleared to play Orange Ball level or Green Ball level play, they will not receive credit. They must play in the appropriate ball color to receive credit towards their Youth Progression.**
