SPRING 2015 SECTION CHAMPIONSHIPS

Congratulations on making it to the Section Championships! We had 4,300 players participating all over SoCal in the Spring 2015 season with over 500 teams. Every effort is being made to ensure these championships will be a fun and enjoyable experience for everyone involved. Please read the information provided to you in this packet; but pay special attention to a few reminders about this event that you must know and adhere to:

- 1.) **Six (6) eligible players are required for each match. In the 18's, it is girls only season! An eligible player is one who played in at least 3 team matches in the Spring 2015 season. Further information regarding eligibility can be found in this packet along with the competition format.**
- 2.) **You cannot default a line in your team match - doing so will make your team ineligible for the section championship. Further information regarding this can be found under "Defaults/Withdrawals."**

This competition will be at its very best when every player and team plays all scheduled matches. If you know going into this competition that you will have trouble fielding a complete team (minimum 6 eligible players) for every match over this weekend, please let your Area League Coordinator know immediately! Thank you for your attention to this matter, and I hope you enjoy Spring 2015 Section Championships!

SATURDAY BBQ:

Since a great number of teams will be driving in each day for this event, our usual Saturday night party will not happen this time (but will be back for our next section championships in January 2016!) In lieu of this change, a BBQ lunch will be held at 2 of our main sites (El Dorado Park TC & Stub Hub Ctr) for all players, coaches and parents. This lunch will be offered from 11:30 a.m. to 2:30 p.m. on Saturday June 6th.

LUNCH:

Lunch (for Sunday) is not provided, but there are plenty of options available close to each facility for you to purchase lunch.

T-SHIRTS:

The T-Shirt form is available at the end of this information packet. The coach is responsible for filling this out and faxing to the SCTA office. T-Shirts will be given to the coaches at the completion of your first match.

ELIGIBILITY:

All team members must be registered in TennisLink and have local play history. All team members playing at Section Championships must have participated in at least three (3) team matches to be eligible to compete in this event. Only one on-site default or exhibition match on record counts as a match played – TennisLink does not count defaults on the player roster anymore, so when a player shows only 2 matches played, a manual check will be done to check for a defaulted match or exhibition match on record. Players must not "age up" before May 15th, and players may only participate for one team in any flight during the Section Championships.

Registration deadline is Wednesday May 27, 2015 - NO EXCEPTIONS!

DEFAULTS/WITHDRAWALS:

In a round robin format, not playing all scheduled matches is detrimental to the event. Therefore, all players and teams are specifically prohibited from defaulting or withdrawing in any part of the Section Championships (whether during the course of a match or prior to its commencement.) In the case of illness, injury or personal emergency, only the Junior Team Tennis Program Coordinator can be contacted under these circumstances. Failure to complete any scheduled match outside from what is listed above will result in loss of deposit. In the event that a team withdraws before the conclusion of the Section Championships or becomes ineligible through the course of this competition, any completed results will become null and void.

ORDER OF STRENGTH:

You must list your players on the T-Shirt & Registration form in the Order of Strength for your team. For your team match line-up, you can select any 2 players to play singles, with the highest player selected playing the #1 singles spot. The remaining players will make up your 2 doubles teams. The ranking of the doubles teams will be determined by the sum of the position listed from your Order of Strength. The lowest total sum of the 2 players selected will play the #1 doubles spot. If the 2 doubles teams sum is equal, the highest individual player from the 2 doubles teams will play in the #1 doubles spot

Listing more players on the T-Shirt & Registration form than you plan to bring to this event will result in your team being defaulted from the Section Championships.

AWARDS:

Awards are given to the champions and finalists in each division up to a maximum of 8. The awards presentation will take place at the tournament desk after results have been verified.

SUBSTITUTIONS:

There will be **NO SUBSTITUTIONS ALLOWED** during the Section Championships. Prior to the start of the event, if a team cannot meet the 6 players minimum required, they forfeit their spot. Every effort will be made to fill the vacated spot with the next qualified team, whether this team is from the same or a different area.

SPORTSMANSHIP:

Sportsmanship is paramount in everything we do in our Junior Team Tennis program! This begins with the players, but is not limited to them solely. All coaches, co-captains, team managers, parents and spectators are expected to act with the highest level of sportsmanship as well. All adults must be excellent examples to all players involved in these Section Championships as well as during your local league seasons.

Anyone coaching a team will be asked to sign a coach's agreement that outlines the expectations of everyone involved in this event. Coaches and co-captains must work with each other in each team match and set the example of outstanding sportsmanship for their teams. Coaches and co-captains are also responsible for the behavior of their players and parents. Please share and review this with your players and parents as they need to know the expectations that will be enforced at this event. Anyone coaching will need to fill out this form and turn it in regardless of which match you will be coaching. All forms will need to be turned into the tournament desk at check-in for your first team match.

Coach's Agreement

As stated in the USTA Junior Team Tennis Southern California Section Rules, Regulations & Guidelines, all Coaches, Co-Captains and Team Managers (CCTMs) are responsible for reading and knowing all local league and section rules, regulations & guidelines regarding Junior Team Tennis. We know that there is much more involved than knowing the "rules" in order to be an effective CCTM! Listed below are areas of responsibility that all CCTMs must adhere to while participating in the Junior Team Tennis program and these Section Championships:

- 1.) CCTMs are expected to work with one another in every team match, and must display excellent sportsmanship qualities with each other, their players and parents. Good sportsmanship starts with you.
- 2.) CCTMs are responsible for ensuring that every player representing their team displays good sportsmanship in everything they do on and off the tennis court.
- 3.) CCTMs are responsible for educating parents and associated spectators on appropriate behavior and tennis etiquette as they watch their son, daughter or associated player play a match in our junior team tennis program. **This is not Davis Cup**, so cheering for opponents' mistakes is not acceptable in any way, shape or form! Applauding for great shots and play from any player on court is the way to go.

In order to perform on-court coaching during a match, you must have successfully gone through the USTA's Safe Play and Background Check procedure, and your name must be listed in the approved applicants page that is housed within the USTA.com/safeplay website. A parent, spectator and/or associated player should not be offering coaching advice to any player who is playing a match, and you as the CCTM must educate your team that doing so is not appropriate. Their responsibility as a spectator is to cheer for all good points played on the court they are watching, and inappropriate spectating will result in being asked to move away from the match.

Any reports of inappropriate behavior from spectators, players and especially you as the CCTM will result in not being invited back to the Section Championships. I have read and understand what is expected from me as a CCTM, and I will execute my duties as a CCTM in accordance with the guidelines outlined within this document.
